SOCIAL MEDIA

DURING COVID-19, PEOPLE POSTED THEIR SENIOR PHOTOS IN HONOR OF THE CLASS OF 2020 TO SHOW THEY WERE THINKING OF THEM - IN SUPPORT OF WHAT THEY WERE GOING THROUGH WITH THE MANY EVENTS AND RITES OF PASSAGE THAT WERE CANCELED DUE TO THE VIRUS. THE BMHS FACULTY WANT TO SHOW OUR SUPPORT FOR OUR SENIORS.

A Letter From Coach Mags

To the Class of 2020,

As young adults, you are experiencing something that no other graduation class has had to in the history of our great nation! I am writing to you as a group because collectively your class has been a wonderful inspiration to our community through your actions over the years! I want to express my gratitude for all you have done as young adults and I wish all of you the best and brightest future! Nonetheless, many generations have been impacted by major moments and events in our history; 1970's gas and oil crisis, 9/11, the Boston bombings, and many of the wars fought around the globe. These are not just moments in time but moments that have impacted people individually and collectively alike. These moments shape behaviors, values, and the way people choose to live their life. There is no doubt that the experience one has overtime truly impacts the person they become which is often the reason that generations of people are different. It's not because simply their age but it is those unique experiences they had overtime which were simply just different than those of others. All of you will be impacted differently but broadly, I am sure there are words that may be common amongst the group to describe the impact this experience has had on you. I hope all of you harness this experience for your own personal growth and development as you prepare to leave BMHS and start another phase of life. If you have been listening to the information being shared about the COVID-19 pandemic, it has been obvious that the importance of science, engineering, data analysis, and economics to say the least! Although I remained optimistic about seeing you all in the spring, unfortunately it that privilege was unattainable. I wanted to be sure to express my pleasure of working with the class of 2020 over the years and let you know that I truly believe that your class has made our community and school a better place for all. Regardless of the challenges that you will face in the years to come, be sure to harness all you have learned and rely on friends and family to forge through those challenges. Best wishes, stay safe, make great choices, and continue to care for others. And always take great PRIDE in the things that you do! I surely hope to reconnect in the future!

Sincerely, Coach Mags

Romeo & Juliet

"Good Hight, Good night!
Parting is such sweet sorrow,
that I shall say good night
till it be morrow."-Juliet

A special thank you to ASA Photographic for sharing their photography

Originally scheduled for March 26-28, 2020 Rescheduled for May 28-30, 2020 *Cancelled due to COVID-19*

When we embarked on the 2019-2020 school year in our brand new performance venue we knew our Spring Musical had to be big... epic. The stakes were high, we had a group of seniors that deserved a show unlike any other performed before at BMHS and one that is so difficult it's rarely attempted across the country. We started in September with weekend tap-dancing boot camps and built an entire town on the BMHS stage for 4 months straight. This was it, two weeks away from our opening night with the show-stopping, all singing all dancing, classic Gershwin musical Crazy for You. The show could have been amazing, you can almost still hear the sound of the standing ovation as the cast sings the final line of the finale "Who could ask... for... anything... more?". The truth is, we all could have asked for a lot more. Maybe just two more weeks? Perhaps we could have asked for an opportunity to experience the thrill of performing live on stage in front of an audience? Or to feel the reward of devoting 7 months and hundreds of hours in rehearsal to bring the show to life? There will only be a handful of people that truly know what Crazy for You at Billerica Memorial High School, March 26-28, 2020, could have been and although the performance was canceled due to the COVID-19 pandemic, there's something equally fulfilling having shared those 7 months and hundreds of hours together. Theater has the opportunity to teach us many things, what it taught us in 2020 is that it isn't just about the performance, but the journey and opportunities we share along the way. To the seniors in our cast & crew, your time was cut just short of your final bow on the BMHS stage but always remember the journey we traveled together because no matter what, "they can't take that away from me..."
